

CAMPTON TAX RATE

The Campton Board of Selectmen is pleased to report that the Town's tax rate went down this year. Last year's rate was \$18.80, and this year we dropped to \$18.55. The breakdown is as follows:

Town Rate	\$5.23
School	\$9.62
County	\$1.34
State Ed	\$2.36
Total	\$18.55

Town, School, County, and State Education taxes all went down. The Selectmen credited this to a number of things: some increases in values for properties completed this year, an increase in values for utilities, and a big part by keeping budgets down. Some surplus was also used to help lower the rate.

Waterville Estates also saw a decrease in their rate from \$13.50 last year to \$12.98 this year.

Campton Village District saw a slight increase from 45 cents to 51 cents this year.

Beebe River Village District saw an increase from \$6.51 to \$8.23. A lot of this increase is due to loss of valuation on some properties within the District.
