

Campton Building Committee
Minutes of Meeting
May 3, 2006

Present: Sharon Davis, Cliff Barber, Patrick Miller, Brian Hilliard, Craig Keeney, Terri Qualters, Tim Kingston, Bruce McKenzie, Dick Giehl, Ted Hammond, Dede Joyce and Will Lambert

The meeting commenced at 6:00 p.m. with a tour of the Fire Department facility, then moved onto the Police Department facility and then on to the Town Office facility. Terri distributed copies of the assessment cards for all three facilities to Committee members present.

It was agreed that summaries of the three facility visits would be very helpful in this project. Accordingly, Dick Giehl agreed to provide a write up describing the Fire Department facility, Brian Hilliard agreed to provide a write up describing the Police Department facility and Sharon agreed to provide the same for the Town Office facility.

Patrick then led the Committee through the project plan. Brian recommended that site visits to other towns' facilities be made sooner rather than later. It was agreed that the towns of interest were Moultonborough, Holderness and New Hampton.

It was agreed to skip the meeting scheduled for May 17, 2006 to allow for time for committee members to make site visits and write their reports.

Craig reported that the Planning Board decided not to hire a consultant to assist with updating the Capital Improvement Plan as the Planning Board wanted to wait and see what information this Committee may provide as a result of its study. Craig recommended that the Committee review the Geomapping that was recently completed for growth projections.

The next meeting will be May 31st. This meeting should be the beginning of the "goal setting" phase.

Meeting adjourned at 8:30 p.m.

Respectfully submitted,

Sharon L. Davis, Secretary
