The meeting was called to order at 7:40 pm.

Mini work session:

Assembly of handout materials and review of poster (to be printed at MegaPrint and paid for out of general CCC budget) for new display at Historical Society's Heritage Day October 21st, 1-4 pm. CCC members will be present throughout on a rotating schedule.

FYI Items:

Pemi River Local Advisory Committee Update (Jane):

- The Lakes Region Planning Commission has just been awarded a grant to study the Beebe River watershed.
- The legislative commission that has been studying the current Comprehensive Shoreland Protection Act has recommended including all Class B rivers.
- Steve Couture of DES was at the last PRLAC meeting to discuss the new wetland mitigation in lieu fee program, which assesses a fee for wetland disturbance and directs these fees to a fund for towns to use for wetland protection.

BWNA Bank Erosion:

- Town member and DES wetland permitting expert Gino Infaselli will meet Commission members at BWNA trailhead at 9 am on Saturday, 10/21 to give advice on appropriate measures to avoid further bank erosion due to foot traffic.

LRCT conservation project:

- Burleigh Farm project will protect the Squam Range, which includes the southeast portion of Campton. Jane shared printed materials with all commissioners.

Campton Bog area GIS mapping:

- Jane has been in touch with NCC frequently, plans on getting finished maps this week. The cost of having these maps printed will be billed to CCC and taken out of the Conservation Fund.
- Date to be set soon with a Bog area landowner for walk around property.

NHACC Conference Registration

- Registration deadline is October 25th; workshop is on November 4th; Melissa, Jane, and Jules(?) will attend.

Town Voting Day is November 7th

- New display at Town Voting with handouts; Jules may be able to setup display?
- Also: Carbon Coalition Info w/petition on this day

Next meeting: Wednesday, November 8th, 7:30 pm

Meeting adjourned at 8:45 pm
