

PUBLIC NOTICE

Effective August, 13, 2007, the Town of Campton will be implementing new procedures for an application for an Intent to Build. The fees will also change effective that day as follows:

New Construction (outside dimensions)

Single Family Dwelling	\$ 90.00 plus 3 cents per s/f*
Multi-Family (per unit)	\$ 80.00 plus 3 cents per s/f
Building Addition	\$ 65.00 plus 3 cents per s/f
Garage	\$ 65.00 plus 3 cents per s/f
Accessory Building	\$ 60.00 plus 3 cents per s/f
Commercial	\$140.00 plus 3 cents per s/f
Industrial	\$190.00 plus 3 cents per s/f
In-ground Swimming Pool	\$ 65.00
Sign Permit	\$ 30.00

Note: Square footage on each floor including the basement is to be included in calculation of the square footage fee

In addition, the owner will be required to have the general contractor, electrician, plumber and any other licensed person involved with the construction sign off on the job with their signature and license number.

Owners will also be required to provide a set of DES stamped approved septic plans. A Town or State driveway permit will be required, and a neatly drawn plot plan of the property.
