

Minutes Campton Library Study Committee Meeting  
June 12, 2018

Attendees Carolyn Hill, Timmee Whitmore, Kelly Wieser, Nancy Donahue

Local Library Reach out: Timmee has not received a response from Pease Library, has sent a second request

Survey Report: The remainder of our meeting was spent working on our Survey report. Timmee input our suggested revisions, updates and additional inclusions. We completed a rough draft to be refined and hopefully completed. The group feeling was that the report be a single page.

Report Distribution: Mailing would be cost-prohibitive; the following locations were suggested as distribution and/or points of information.

1. Library
2. Town Office
3. Newspaper with article noting distribution points
4. November Election handout station as voters are leaving polls
5. Local Bank's Bulletin Boards

Next Meeting July 17.

Respectfully Submitted,  
Nancy Donahue
