

Minutes Campton Library Committee

May 15, 2018 5-6:15pm

Present: Carolyn Hill, Mary O'Brien, Martha Aguiar, Timmee Whitmore, Kelly Wieser

April 17, 2018 Minutes approved: copy will be sent to Carina Park Campton Town administrator

**Local Library Reachout:** Timmee is waiting to hear from both Trustee chairs and will forward that information to us.

**Campton School Board:** Kelly is in an ongoing discussion with the Campton School Board about the future use of the library. She will keep us updated.

**Discussion of option of second level of existing library** Carina Park found the blueprints and there are none for a possible second floor. It is noted that the present librarian office could be used as an elevator shaft and there is enough reinforcement for that additions of a second floor.

**Format for report to selectmen:** Timmee sent us a template for fulfilling the charge given to us by the selectmen. She will also sent us a link to see if we can edit individually from home. We had a lengthy discussion on the status of our committee at this point and the need to continue after our final report.

**State Librarian** Mary has been unable to confirm a time to meet with him, she will keep trying.

**Survey Data and Next meeting** Mary has written a draft of the survey results which we will review and discuss at our next meeting.

Next meeting June 12 6:00pm

Respectfully submitted,  
Martha Aguiar
