Hi Timmee,

It is clear that the only way residents of any town other than Plymouth can become patrons is by following our present system.

That requires paying the annual fee either for six months or a year each period. There is no way to assume the population of another town as if those individuals were tax paying Plymouth residents.

We wish you well in your work toward a more comprehensive library for Campton.

Also, we along with the Director are of firm belief that each town really needs it's own library. Our practice of making cards available via our out of town user fee does offer services beyond what other smaller communities can or presently do provide.

Winnie

Hi, Timmie.

The trustees met this afternoon and decided unanimously that we are not interested in a plan for a joint library.

Thank you for contacting us.

All the best,

Diane

Kelly updated us about contact with Campton School Board which is basically. to keep open communication between our committee and them.

We would like to present our survey results to the selectboard and the dates would be September 10 and 24. A decision on that will be made at the next meeting

**Survey Results**

The remainder of the meeting was reviewing and revising the format of the Survey results.

Mary will edit and distribute for next meeting (Thanks Mary)

Next Meeting August 21 5pm

Meeting adjourned at 6:50

Respectfully submitted. Martha Aguiar
