New Business:

Our focus was on a presentation to the select board. The date selected was September 24 with Kelly as spokesperson. The meeting has been scheduled with Carina and we will be first on the agenda at 6:30pm. We will ask that money be put aside every year in the library capital reserve fund. We discussed the possibility of renovating the present space since it is neither adequate nor suitable. Mary will talk with Sharon before the meeting to let her know our focus. Carolyn will ask for library usage updates from this summer.

Next meeting September 18th 5pm focus is finalizing presentation to selectmen
Meeting adjourned at 5:50pm.

Respectfully submitted. Martha Aguiar
