

TOWN OF CAMPTON

Board of Selectmen's Office

FOR IMMEDIATE RELEASE TO THE RESIDENTS OF CAMPTON, NH

TOWN OFFICES CLOSED TO THE PUBLIC BEGINNING WEDNESDAY, MARCH 18, 2020 (UNTIL FURTHER NOTICE)

We continue to actively monitor the COVID-19 situation, which is rapidly evolving. The Town is committed to the continued health and optimal safety of our residents as well as our employees, and we intend to do our part to “flatten the curve” of the COVID-19 pandemic. To that end, we have decided **that effective Wednesday, March 18, 2020, the Town Offices will be closed to the public until further notice.** The Board of Selectmen will continuously monitor developments in the COVID 19 situation and keep the public informed of decisions made with regards to opening of town offices to the public

However, we will still be working to serve the residents of Campton. We intend to do our best to operate as a “VIRTUAL TOWN HALL.” In today’s world, most of the transactions for our residents can be done online or arranged via phone or email. Resident questions can and will be answered via phone or email. And as a last resort, you may schedule an appointment in the Town Office with the appropriate Town personnel to complete your transaction. Our Town employees will be working both remotely and on-site (in limited numbers as necessary)—but we will continue to be at your service.

FIRE AND POLICE: Of course, our incredible Police and Fire Departments will continue to serve the residents of our Town on a “business as usual” basis; however, we ask that you please keep all non-emergency calls to a minimum so that they may devote their time to those residents in need of emergency services. If you have non-emergency COVID-19 related questions, please call 2-1-1 (a state hotline manned 24/7 specifically for such questions).

PUBLIC MEETINGS: With the exception of the Town Selectmen’s meeting on Monday March 23rd at 5:30pm which will be held via conference call, all Town board and committee meetings in March will be cancelled and more information will be forthcoming about meetings in April and beyond.

Finally, rest assured that we will be monitoring all local developments related to COVID-19, and as your Town officials, we are committed to timely and ongoing communication about any and all changes to our operating status as well as any recommendations to the public from public health and other government officials.

Please see the following information regarding how we intend to operate our VIRTUAL TOWN HALL.
