Town of Campton's Statement on Racial Injustice

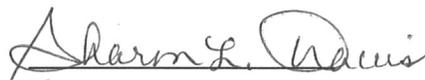

As representatives of the town we continue to stand in solidarity with the national efforts to address individual, institutional, and structural racism. We denounce the past and most recent unacceptable racist events and injustices in our country. We extend our full support to all ethnic and marginalized groups within our community. We will commit to:

- Promote critical conversations about racism and how it affects our community
- Acknowledge that silence and inaction contribute to ongoing structural racism and will take a firm stance against hate speech, racial intolerance, and inequity in Campton
- Continue to support our Police Department in their actions to succeed in community based policing and outreach for the residents of Campton
