

MINUTES

BEEBE RIVER WATER & SEWER COMMITTEE

August 19, 2020

The Beebe River Water and Sewer Committee met at 10:05 a.m. via Zoom. Members of the committee present were Cindy Klevens from NHDES, Robbie Welsh, Carina Park and John Benham from Pump Systems. Also present were Ken Goode from Granite State Rural Water Association.

Approval of Minutes: John Benham made a motion to approve the January 22, 2020 minutes. Robbie Welsh seconds the motion. Motion passes by unanimous vote.

Cindy Klevens provided an update on the status of the Trust Fund. The paperwork for the grant has been completed and accepted. We can move forward with some of the water system work. John Benham will put together a scope of the work with technical specs and cost figures. Pump Systems is interested in completing the work in house; however, some aspects of the projects may need to be contracted out (excavation).

Cindy Klevens will reach out to Donna Lane regarding the CBDG grant. We will need a grant administrator to submit an application in January.

The Committee discussed collections and the delinquent accounts. Ken Goode suggested getting a quote from Jake Dawson for the installation of 5 shut off valves. The Committee agreed to get a quote for the shut off valves. Ken will reach out to Jake Dawson.

The Committee scheduled the next meeting for October 16, 2020 at 10:00am.

Adjourn: There being no further business the meeting adjourned at 10:37 a.m.

Respectfully submitted, Carina Park, Town Administrator
