SCOPE OF WORK

It is the intent of this proposal to establish a primary source of supply for #2 Heating Oil and Propane for the 2022-2023 heating season.

The annual consumption for each type of fuel is an estimate only and the Owner reserves the right to purchase only the quantities necessary, whether more or less than the estimated amount needed with no impact to the bid price. See attached listings for tank sites. Tank sites and/or capacities may be changed during the course of the contract year. The brand and quality of the products being offered shall conform to industry standards. Deliveries shall be made to the individual tank locations and it shall be the responsibility of the successful Bidder to verify each fill location and to maintain sufficient quantities at each location to assure proper operation. Failure to do so may result in the assessment of damages.

Deliveries are to be billed to:

Town of Campton
12 Gearty Way, Campton NH 03223

Each invoice must reference the fill location and include the fill ticket.

Each fuel type will be awarded separately; bidders are not required to submit bids for each type of fuel.

Bids are being solicited on Price per gallon markup.

The markup amount shall be firm for the contract period, which will be from the award date through **September 30, 2023. All bid prices shall include any and all surcharges and fees. The Owner is exempt from any and all Federal Excise Taxes and the NH Road Toll.** All bid prices shall be FOB delivery location.

Through the term of the contract, the successful bidder shall be subject to the insurance requirements and indemnity provision as shown in Attachment A hereto.

The successful Bidder shall, upon Notice of Award, furnish a Certificate of Insurance showing general liability, automotive, and worker's compensation in the amounts required by this Bid.

The Owner reserves the right to request background information on the bidder such as place of incorporation, principal and local offices and years in operation. In addition, the Owner reserves the right to request references from any and/or all bidders for evaluation. By submitting a bid, Bidder warrants and promises that it will comply with all state and federal requirements for the transportation, storage and handling of the fuels to be provided under this bid.

This bid proposal represents the fuel purchases for all municipal buildings. The Town of Campton reserves the right to reject any or all bids, to waive technical or legal deficiencies, and to accept any bid that they may deem to be in their individual best interest.
