

TOWN OF CAMPTON

Board of Selectmen's Office

VOLUNTEERS NEEDED

Many of you have asked, "How can I get more involved?". We would like to give everyone interested in serving in a position the opportunity to come before the Board of Selectmen to introduce themselves and discuss how they could be more involved. The Select Board would like to fill this new committee by October 3rd. The positions will remain open if there are not enough volunteers to fill the committee by the deadline.

The following boards/committees and official positions will have appointments:

- (New Committee) Town of Campton Space Needs Committee (2 Seats Open)

The objective of the Campton Campus Design Committee is to understand the departments' needs to determine the future financial development of the Town of Campton municipal campus. In order to assess the needs of the Town, there would be three main tasks. These tasks include initiation, data collection & analysis. Ultimately, creating a report that provides for a plan moving forward.

If you are interested in serving in a position or for more information, please contact Corey Davenport at toc.cd@camptonnh.org or 726-3223 ext. 101.

****Members must be full-time residents of the community****
