

Agenda for Climate Advisory Committee, 3/8 at 10:30 AM, Town Hall

1. Committee business:

- approval of minutes of 2/8 meeting
- Efforts to fill committee vacancies (see call out by town for openings).
- outreach efforts

2. Review of presentation of committee report to Select Board on Feb 28 and discussion of next steps on these projects:

Roads: Rita & Bill will be assisting town in obtaining BRIC funding for road repairs. They are meeting with Corey before the March 8 meeting and with the Select Board at future work sessions.

Solar & community power: Select board is interested in pursuing both projects

Charrette program: An initial walk through with Plan NH is happening at the end of the month.

Public Health: Select board supported the idea of the committee helping to support vulnerable citizens during weather emergencies, such as by helping to develop a database of residents with special needs.

3. Future meetings: Upcoming meetings will be held at 10:30 am at town hall.
