

## Agenda for Campton Community Power Committee Meeting

Meeting date: February 5, 2024

Time: 3:30pm

Community Room at Campton Town Hall,  
12 Gearty Way, Campton, NH 03223.

### 1. Reports on activities:

- Select Board approval of final draft of EAP on January 29.
- Status of cost sharing and other CPCNH contracts
- Committee meetings set for 3:30pm, 1st Monday each month (except Sept.)

### 2. Timeline review

- EAP approvals
- Approval of contracts
- Service launch

### 2. CPCNH news:

- Membership now includes over 50 towns and >30% of NH population
- Progress on supporting net metering
- This recent [CEO Report](#) starting on page 7 describes activities, finances, and other issues.

### 3. Preparation for town meeting:

- Strategies for additional outreach prior to meeting
- Strategies for educating people at meeting

### 4. Support for CPCNH legislative efforts:

- What steps could/should we take to support their efforts to force the utilities to provide the data needed for net metering and to promote initiatives that advance community power ?
- This [policy paper](#) describes legislation supporting Net Metering 3.0

### 5. Climate resilience funding:

- Any opportunities for CP committee to assist town in obtaining grant funding or to support local energy projects ?
- For reference, see [Climate Pollution Reduction Grants](#) and their [grant inquiry form](#)
