Statement on the Presidential Primary and Voter's Party Affiliation

As of the October 6, 2023 Supervisors' session, registered voters may not change their party affiliation prior to the Presidential Primary per guidance from Secretary of State David Scanlon in a 9/13/23 letter to Clerks and Supervisors. RSA 653:34

**Registered voters who are affiliated with either major party, per the Checklist, may only be given the primary ballot for that party. Affiliated voters may NOT 'switch' parties before voting on election day.

That voter will then be registered to that party. **New voters registering on election day may register as Democratic Party affiliated, Republican Party affiliated, or Undeclared. If they register as undeclared, the process described in the paragraph above will apply.
